

Emerald Class Homework Spring 1

Alongside your regular reading, spelling and I can blend sheets have a go at two of these.

These projects are extended so that you can explore, investigate and create something incredible!

Maths - design a game Make your own simple board game with numbers up to 20 or even 50! (e.g. snakes and ladders) You could include challenge questions if anyone lands on a special number!	How would you design a toy? Design your favourite toy. What material(s) is it made from? What does it do? Who is it for? Does it have any special features?	Make a toy board! (collage) Find as many pictures as you can and stick them on paper to make a toy board. You can use pictures from magazines, photos of your own toys or pictures from researching on the internet.
RE - Shabbat Create a list of family activities that a family celebrating Shabbat might do together. 	Get weaving! Weave a paper bag. https://laughingkidslearn.com/how-to-make-a-woven-paper-bag/ Use the links here to do some more https://www.firstpalette.com/craft/paper-weaving.html	Be a materials detective! Look around your home and find items made from different materials. Draw or write them eg metal, spoon Find items made from two different materials. Check your recycling - what materials can you recycle? Can you make something using materials you have recycled?
