Emerald Class Homework Spring 2

Alongside your regular reading, 'I can blend' sheets and spellings have a go at two or more of these.

There are no deadlines children can bring work in when finished and we will try to celebrate and show this either that day or the next with the class.

Maths – Shrove Tuesday	Geography	DT: Make a homes (collage)
Find out how to make a pancake. Can you follow the instructions and measure the ingredients and liquids carefully accurately with the help of a grown-up? How many pancakes did you make? Take a photo, draw a picture or write a short description of your pancake. If you don't have a recipe handy there are some ideas here: https://www.bbcgoodfood.com/recipes/collection/kids-pancake-recipes Challenge: What if you needed to make double that number of pancakes can you calculate the ingredients needed?	How would you create a simple map? Can you create a map with a key? This could be a pirate treasure map, a map of your bedroom, garden or even part of Thorpe village or where you live.	Find as many pictures as you can of homes and houses from around the world and make a collage. You can use pictures from magazines, or pictures that you draw from researching on the internet or in your local library.
RE – What are the different types of prayer that Christians pray? Why not make a prayer cube to help you learn about the different types. Here is a blank template: https://www.firstpalette.com/printable/cube.html	English Write a short book review for a book you have enjoyed recently. This can be fiction or non-fiction. Don't forget to include the author, illustrator and anything you found surprising. More ideas of what you could include can be found here: https://www.youtube.com/watch?v=_3sxOcNyOjE	Science: Be an animal detective! Look around your garden or local area. Draw or write about 3. Can you label your pictures with features that are the same and some that are different?

Don't forget to talk about your weekend so you are ready for newswriting on each Monday morning.
