

Year 5 Topic Home Learning Spring 2

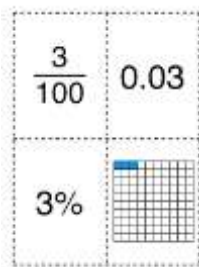

Every two weeks you are going to choose one of these projects to investigate. These projects are extended over two/three weeks so that you can explore, investigate and create something incredible! We will share and celebrate your projects on Monday 11th March and Monday 25th March.

Research a British monarch (except Victoria)

Write a fact file bout the monarch including pictures and information. Explain how powerful the monarchy was during their reign.

Create a game to practice decimal, fraction and percentage equivalence. You could make a board game or a card game.

Create an illustrated science glossary for our science topic of materials.

Here are some words you could include.

insulator, conductor,
dissolve, solution, soluble, insoluble,
filter, sieve, evaporate
reversible/irreversible change

Draw a plan of the ground floor or upstairs of your house. Work out the area and perimeter of each room and write it on your plan.

Why do people go on pilgrimages?

Create a short piece of writing or power point to explain why and where people go.

Choose a theme ie friends, spring, weather and find 2 or 3 poems on that theme.

Either write out the poems and illustrate them or choose your favourite one to write a review about.
