

Ruby Class Home Learning Summer 1 April 2024

This half term you are going to choose one of these projects to complete. When it's ready, please bring it into school to share with the class before the end of term. If you would like to do more than one project then please feel free. Please enjoy this choice of activities and make them your own. We look forward to sharing them.

Amazing Africa! What it is it like?

Find out about and write a fact file for an African country of your choice. Where is it? What sights might you see? What wildlife lives there? What languages are spoken there? Present your fact file in an interesting way and include pictures!

Fantastic Fractions! Can you make a fraction wall?

Cut up four strips of paper. Colour them in different colours. Leave one strip whole and stick at the top (to represent 1). Cut the second strip into two to represent 2 halves. Cut the third strip into three to represent 3 thirds. Cut the fourth strip in to four to represent 4 quarters. Label your strips as shown in the picture. Please note the picture does not show thirds!

African Art. What do you notice about the colours and patterns?

Draw or paint a picture representing Africa or African art. It may be geometric shapes, a landscape from the plains or a painting of an elephant. Use your imagination and be as creative as you like.

To get you started you can watch this clip.

This is just to get you inspired!

Lovely Letters - Can you write a letter?

Choose someone to write a letter to. It could be a favourite author, a celebrity you like, a family member or a friend you don't often see. What information will you include in your letter? Do you have any questions you'd like to ask the person you are writing to? You could make a copy of your letter and actually send it to the person you have written to as well as bringing it in to show us. Have fun writing!

Information Islam

Create an information glossary/leaflet explaining some of the key vocabulary associated with the religion Islam. You could include the following words:

Islam

Muslim

Allah

Muhammad

Mosque

Mekkah

Qur'an

Salah (prayer)

You can also add other words you have learnt and include pictures.

Quiz Time - What do we know?

Create a quiz or a game based on London (including Thorpe), Sierra Leone or both. You could test people on their knowledge of either place, e.g. capital city, well-known landmarks/places, traditional food, continent and so on. Bring in your game/quiz and we look forward to sharing it and trying to answer some of the questions.
