

Year 4 Garnet Class PSHE and Citizenship – Health and Wellbeing – It's My Body

Summer 1

This term, Children's PSHE and Citizenship topic is 'It's My Body'

In this unit of work, children will learn about how to take care of their body. The six lessons explore the choices children can make about looking after their bodies. The lessons look at making safer choices about their bodies, sleep and exercise, diet, cleanliness and substances. Children will learn facts about each of these areas and learn strategies on how to manage them. The important messages of choice and consent run through the unit and children are encouraged to get help from trusted adults when necessary

We start each week with enquiry questions which will be used at the end of the unit to assess understanding;

Lesson 1: Who does your body belong to? What type of physical contact is OK? What can you do if you feel uncomfortable about something?

Lesson 2: What does your body need to be healthy? If you eat junk food regularly, what are the effects on your body? What can you do to become healthier?

Lesson 3: Why is it important to get enough sleep? How can getting enough sleep keep our bodies and minds healthy? What happens if we don't get enough sleep?

Lesson 4: What sorts of allergies and illnesses are there? How can we stop the spread of disease and infection? Why is personal hygiene so important?

Lesson 5: What are drugs? How can I stay safe around drugs?

Lesson 6: What choices do I have? How can I make better, healthier choices?

Children will be taking part in a range of activities, including the following:

Collaborative tasks, sorting activities, group games, partner and group discussion, written responses, quizzes and role play.
