

Topic home learning

Every two weeks you are going to choose one of these projects to investigate. It will be due in on the following dates:

Monday 18th November, Monday 2nd December and Monday 16th December (so 3 pieces of home learning in total).

These projects are extended so that you can explore, investigate and create something incredible!

<p>How did Anglo-Saxons write? The Anglo-Saxons used their own alphabet to write and to communicate. The letters look very different to the ones we use now. Can you write a secret message to a friend in Saxon runes? https://downloads.bbc.co.uk/schools/primaryhistory/worksheets/anglo-saxons/anglo_saxon_runas.pdf</p>	<p>How could you use an electrical appliance in your home to make something? You could use a mixer, sewing machine, electric oven or power tool to create something of your choice. How did you use electricity safely? Bring in the item or take some pictures and be ready to share what you did.</p>	<p>What are the environmentally friendly ways to make electricity? Research these, for example; solar energy, wind power etc then present your information in an interesting way. e.g. PowerPoint, booklet, poster, fact file.</p>
<p>What did the Anglo-Saxons eat? The Anglo-Saxons loved eating and drinking and would have huge feasts with cooked fish, bread and vegetables. A favourite would have been vegetable soup. Can you make your own Saxon-style soup? Write a recipe and add pictures.</p>	<p>Where did the Anglo-Saxons live? Create a piece of artwork related to Anglo-Saxon houses, e.g. make a model, paint a picture or create a collage of a village. https://www.weststow.org/Anglo-Saxon-Village/ http://www.primaryhomeworkhelp.co.uk/saxons/houses.htm</p>	<p>What are the uses of electricity? Make a poster to describe and explain the many uses of electricity in our world. Make your poster eye catching by using photographs, diagrams and drawings.</p>
