

## Emerald Class Homework Spring 1

Alongside your regular reading, spelling and I can blend sheets have a go at two of these.

These projects are extended so that you can explore, investigate and create something incredible!

<p><b>Maths - design a game</b></p> <p>Make your own simple board game with numbers up to 20 or even 50! (e.g. snakes and ladders) You could include challenge questions if anyone lands on a special number!</p>	<p><b>How would you design a toy?</b></p> <p>Design your favourite toy. What material(s) is it made from? What does it do? Who is it for? Does it have any special features?</p>	<p><b>Make a toy board! (collage)</b></p> <p>Find as many pictures as you can and stick them on paper to make a toy board. You can use pictures from magazines, photos of your own toys or pictures from researching on the internet.</p>
<p><b>RE - Shabbat</b></p> <p>Create a list of family activities that a family celebrating Shabbat might do together.</p> 	<p><b>Get weaving!</b></p> <p>Weave a paper bag. <a href="https://laughingkidslearn.com/how-to-make-a-woven-paper-bag/">https://laughingkidslearn.com/how-to-make-a-woven-paper-bag/</a> Use the links here to do some more <a href="https://www.firstpalette.com/craft/paper-weaving.html">https://www.firstpalette.com/craft/paper-weaving.html</a></p>	<p><b>Be a materials detective!</b></p> <p>Look around your home and find items made from different materials. Draw or write them eg metal, spoon Find items made from two different materials. Check your recycling - what materials can you recycle? Can you make something using materials you have recycled?</p>
